Thank you from the Mennonite Central Committee for your My Coins Count collection this year, helping families around the world gain access to fresh water! Lockport collected a total of \$2,334.48 this year for MyCC. These funds will help MCC partners assist communities with projects like piping water to villages in Nepal, capturing water in Bolivia, drilling wells in Nicaragua and DR Congo and protecting water through building latrines in Uganda. Having access to clean water improves family health, diet, income, safety, helps families stay together and offers dignity to those who benefit. Thank you for the many ways you support this work of improving the lives of families around the world in the name of Christ.
Les Gustafson-Zook, MCC MyCC Coordinator

Capital Improvement Fund Last Sunday you received in your mailbox a letter about our current fellowship hall building project. We need to submit half of the estimate as a down payment to the contractor in order to be on the list for them to come in the future. Please read the letter and consider giving to the project. We will be having a special offering for this soon. Stewardship Committee

Gary's Transition Gary's last day with Inlet will be July 23. He will be starting at Lockport on September 1 after taking some time to rest, rejuvenate, and vacation with Sandy for their anniversary. Continue to be in prayer for Inlet during this transition and for Gary and Sandy as they say goodbye and begin to prepare to be a part of Lockport.

Summer Elective for the 2nd Half: Starting next week, July 23, our next round of Adult Sunday School electives will begin. We will all be studying together the same RightNow Media series: "Jesus in our Generation" by Ben Stuart. **The goal is for this to be intergenerational with lots of conversation and a time where we are united in study together.** For these six weeks (July 23-August 27), there will be two classes, one in each overflow facilitated by class leaders. We are asking that you split yourselves up accordingly for good conversation. After worship, the primary and youth Sunday School classes and teachers will be dismissed to go to Sunday School. We ask that everyone else remain in their seats and the video lesson will be played. After this we will break for coffee and soda time, then re-gather at the either north or south overflow to discuss the video. We recognize this is a change from how our typical dismissal for Sunday School goes, but after a lot of thought and discussion we felt this was the best way for those to not miss out on the content. We recognize the importance of fellowship during the coffee and soda time. We hope people can make it back to class for the beginning of the discussion, but we want people to be able to join a class at any point. Thanks for walking alongside us as we try something new! We appreciate your cooperation and look forward to feedback from you. Christian Education Team
