Summer Elective for the 2nd Half: Today our next round of Adult Sunday School electives will begin. We will all be studying together the same RightNow Media series: “Jesus in our Generation” by Ben Stuart. **The goal is for this to be intergenerational with lots of conversation and a time where we are united in study together.** For these six weeks (July 23-August 27), there will be two classes, one in each overflow facilitated by class leaders. We are asking that you split yourselves up accordingly for good conversation. Here’s how it will work:

- Worship Ends–the primary/youth Sunday school classes and teachers dismissed;
- Video is played while everyone else remains in their seats;
- Short break for drinks and such;
- Re-gather in either the north or south overflow to discuss the video.

We recognize this is a change from how our typical dismissal for Sunday School goes, but after a lot of thought and discussion we felt this was the best way for those to not miss out on the content. We recognize the importance of fellowship during the coffee and soda time. We hope people can make it back to class for the beginning of the discussion, but we want people to be able to join a class at any point. Thanks for walking alongside us as we try something new! We appreciate your cooperation and look forward to feedback from you. Christian Education Team
